

Get hands on with iTero® intraoral scanning

Sip 'n Scan with Capital Ceramics Dental Lab & iTero

Join us for an evening of learning, scanning, sipping & snacking! Learn more about digital dentistry and see a demonstration of the iTero Element intra oral scanner.

Discover:

- How iTero Element 5D Plus and Capital Ceramics create a seamless digital workflow to decrease turnaround time, improve lab communication and enhance dental procedure success through digital
- How to grow your practice by increased patient acceptance when using iTero applications such as Occlusogram, TimeLaspe Technology & Outcome Simulations
- How the iTero Element 5D enhances patient communication through one scan that simultaneously records 3D images, colour photos, and NIRI images.

Date: **Thursday, August 12th**

Time: 6:30-8:00 pm
